CLOUD-BASED SCHOOL MANAGEMENT SOLUTION (ERP)

About the Service

A unified ERP platform designed to automate every workflow within an institution. Built for efficiency, accuracy, and complete operational visibility. Ideal for institutions aiming to digitize their end-to-end operations.

Core Features:

- Centralized student & staff data
- Automated workflows & processes
- Secure role-based access
- Real-time communication & notifications
- Plug-and-play integration support
- Complete digital transformation

Advanced Fee Payment Solutions - QuickPay

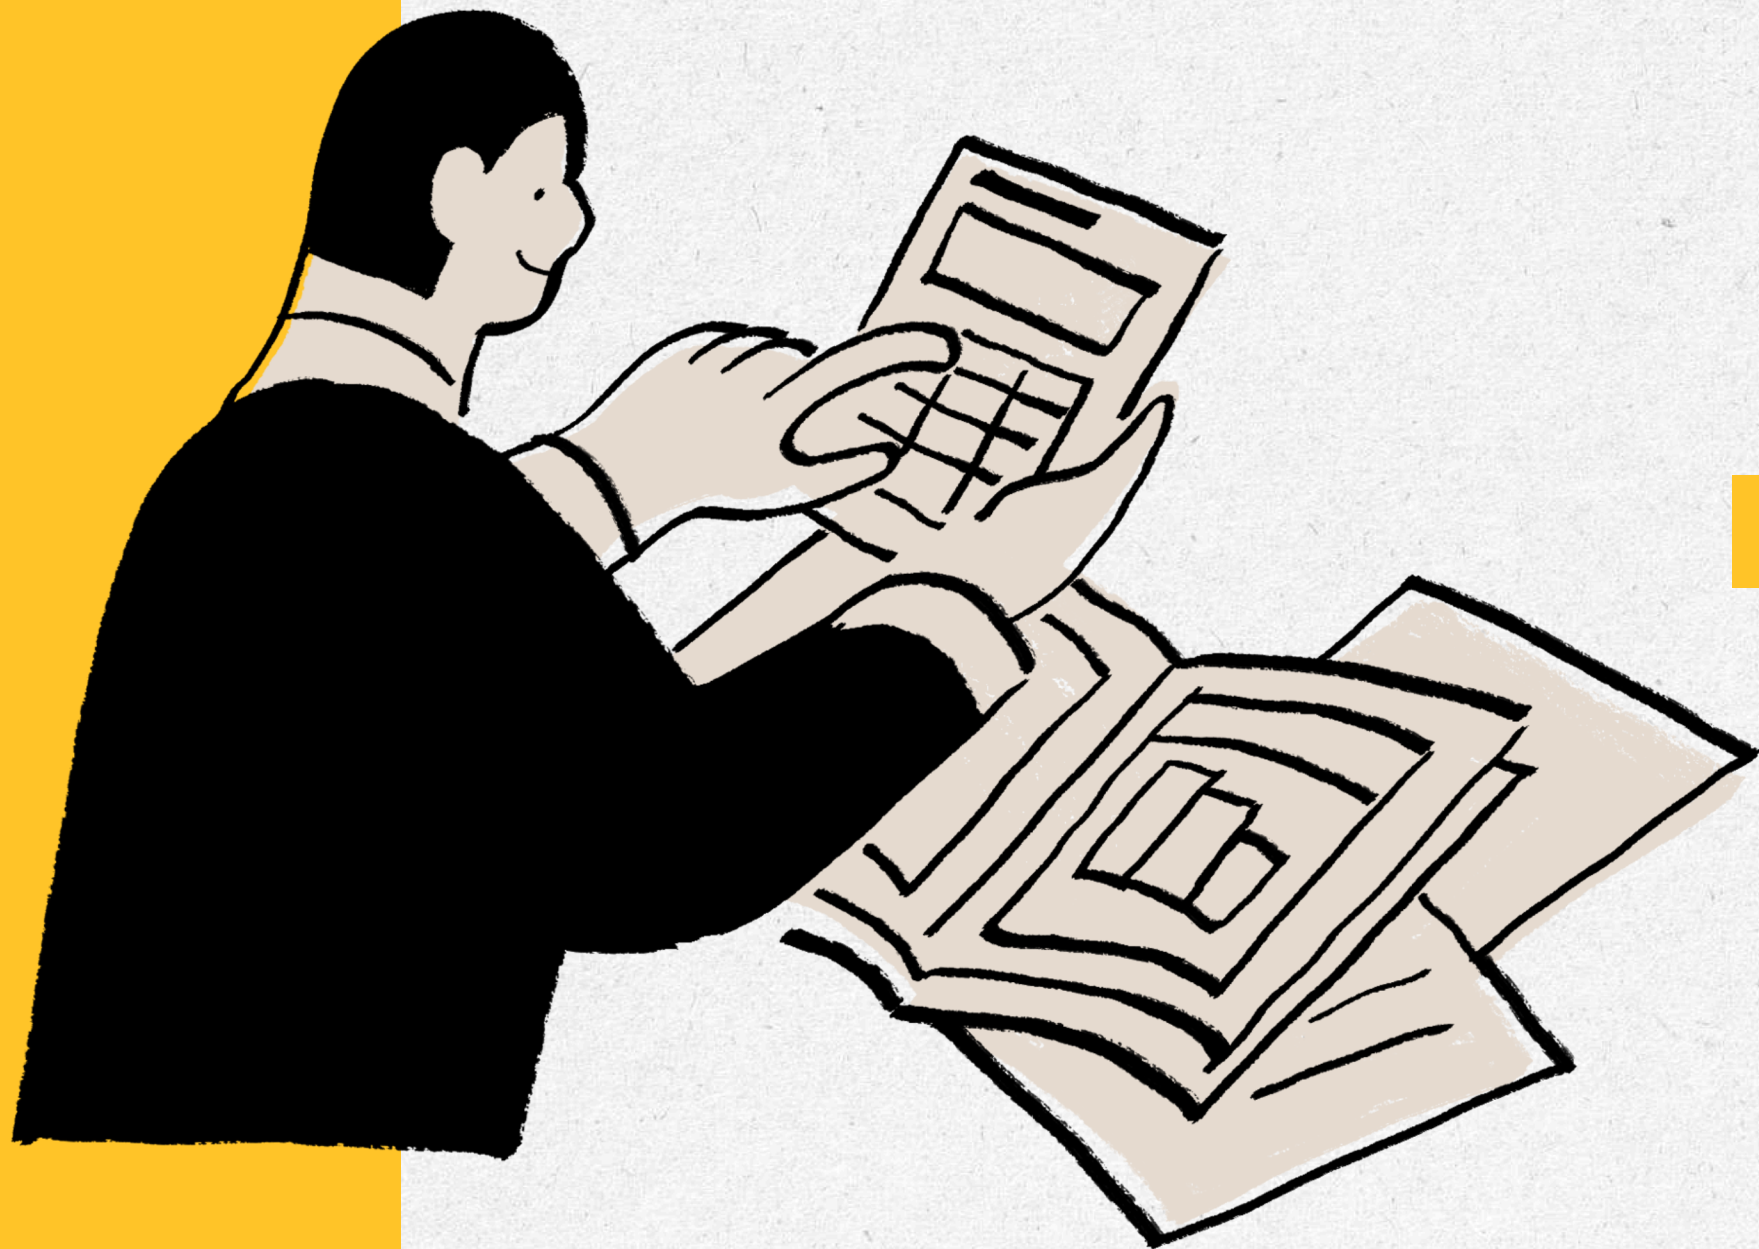

About the Service

A secure, fast, and transparent payment gateway tailored for institutions. Designed to simplify fee collection for administration and parents alike. Enables complete financial clarity with smart reporting tools.

Core Features:

- QuickPay integrated payment gateway
- UPI / Cards / Net Banking / Wallet payments
- Instant digital receipts
- Web and Mobile App accessibility
- Transparent transaction records

Professional Staffing Solutions

About the Service

End-to-end recruitment services crafted specifically for educational institutions. From teachers to administration staff, we ensure verified and qualified hiring. We manage compliance, payroll, and onboarding.

Core Features:

- Verified teaching & non-teaching staff
- Temporary, ad-hoc, and permanent hiring
- Payroll & Staff Attendance management
- Full recruitment lifecycle

Digital Marketing & Branding Solutions

About the Service

Enhance visibility, grow admissions, and build a strong institutional identity. Tailored strategies for digital growth and brand awareness. Designed exclusively for educational institutions.

Core Features:

- SEO & website optimization
- Lead generation campaigns
- Social media management
- Online reputation building
- Modern website development

Online Exam & Assessment Tools(TET)

About the Service

A complete digital assessment ecosystem for secure and efficient examinations. Ensures unbiased evaluation with automated and transparent systems. Ideal for both internal assessments and large-scale tests.

Core Features:

- Secure exam environment
- Randomized question sets
- Instant auto-evaluation
- Detailed performance analytics

Robotic & AI Lab

About the Service

We offer a complete, end-to-end solution for schools to establish a state-of-the-art AI & Robotics lab. Our program is designed to provide students with hands-on, experiential learning that builds critical 21st-century skills and prepares them for a future in technology.

Core Features:

- Industrial-grade robotics training
- Practical AI & programming activities
- Mech -tech Kit, Arduino kit and many more.
- End-to-End Lab Solution:
- Dedicated On-Site Support

E-Commerce Platform

(COMING SOON)

About the Service

A dedicated, school-branded online marketplace that offers parents a hassle-free shopping experience. It serves as a one-stop-shop for all academic necessities, including textbooks, uniforms, and stationery.

Core Features:

- Dedicated, institution-branded online store
- One-stop shop for Books, Uniforms & Stationery
- Easy vendor onboarding with trusted suppliers
- Complete admin control over products, pricing & categories
- Integrated logistics for smooth delivery and tracking

Fee Finace for Students

About the Service

An inclusive financial solution designed to ensure no student is left behind due to financial constraints. We offer customized loan options that allow parents to pay school fees in manageable tranches.

Core Features:

- Convert annual fees into easy, manageable installments
- Zero-cost EMI options with no hidden charges
- Instant approval through a paperless digital process

Solar Power Plant

(COMING SOON)

About the Service

Transform your campus into a leader in sustainability. Our Solar Power Plant solutions utilize idle rooftop space to generate clean energy, significantly lowering operational costs while serving as a "living classroom" for environmental education.

Core Features:

- Massive Cost Savings
- Educational Value
- Flexible Financial Models
- Performance Monitoring

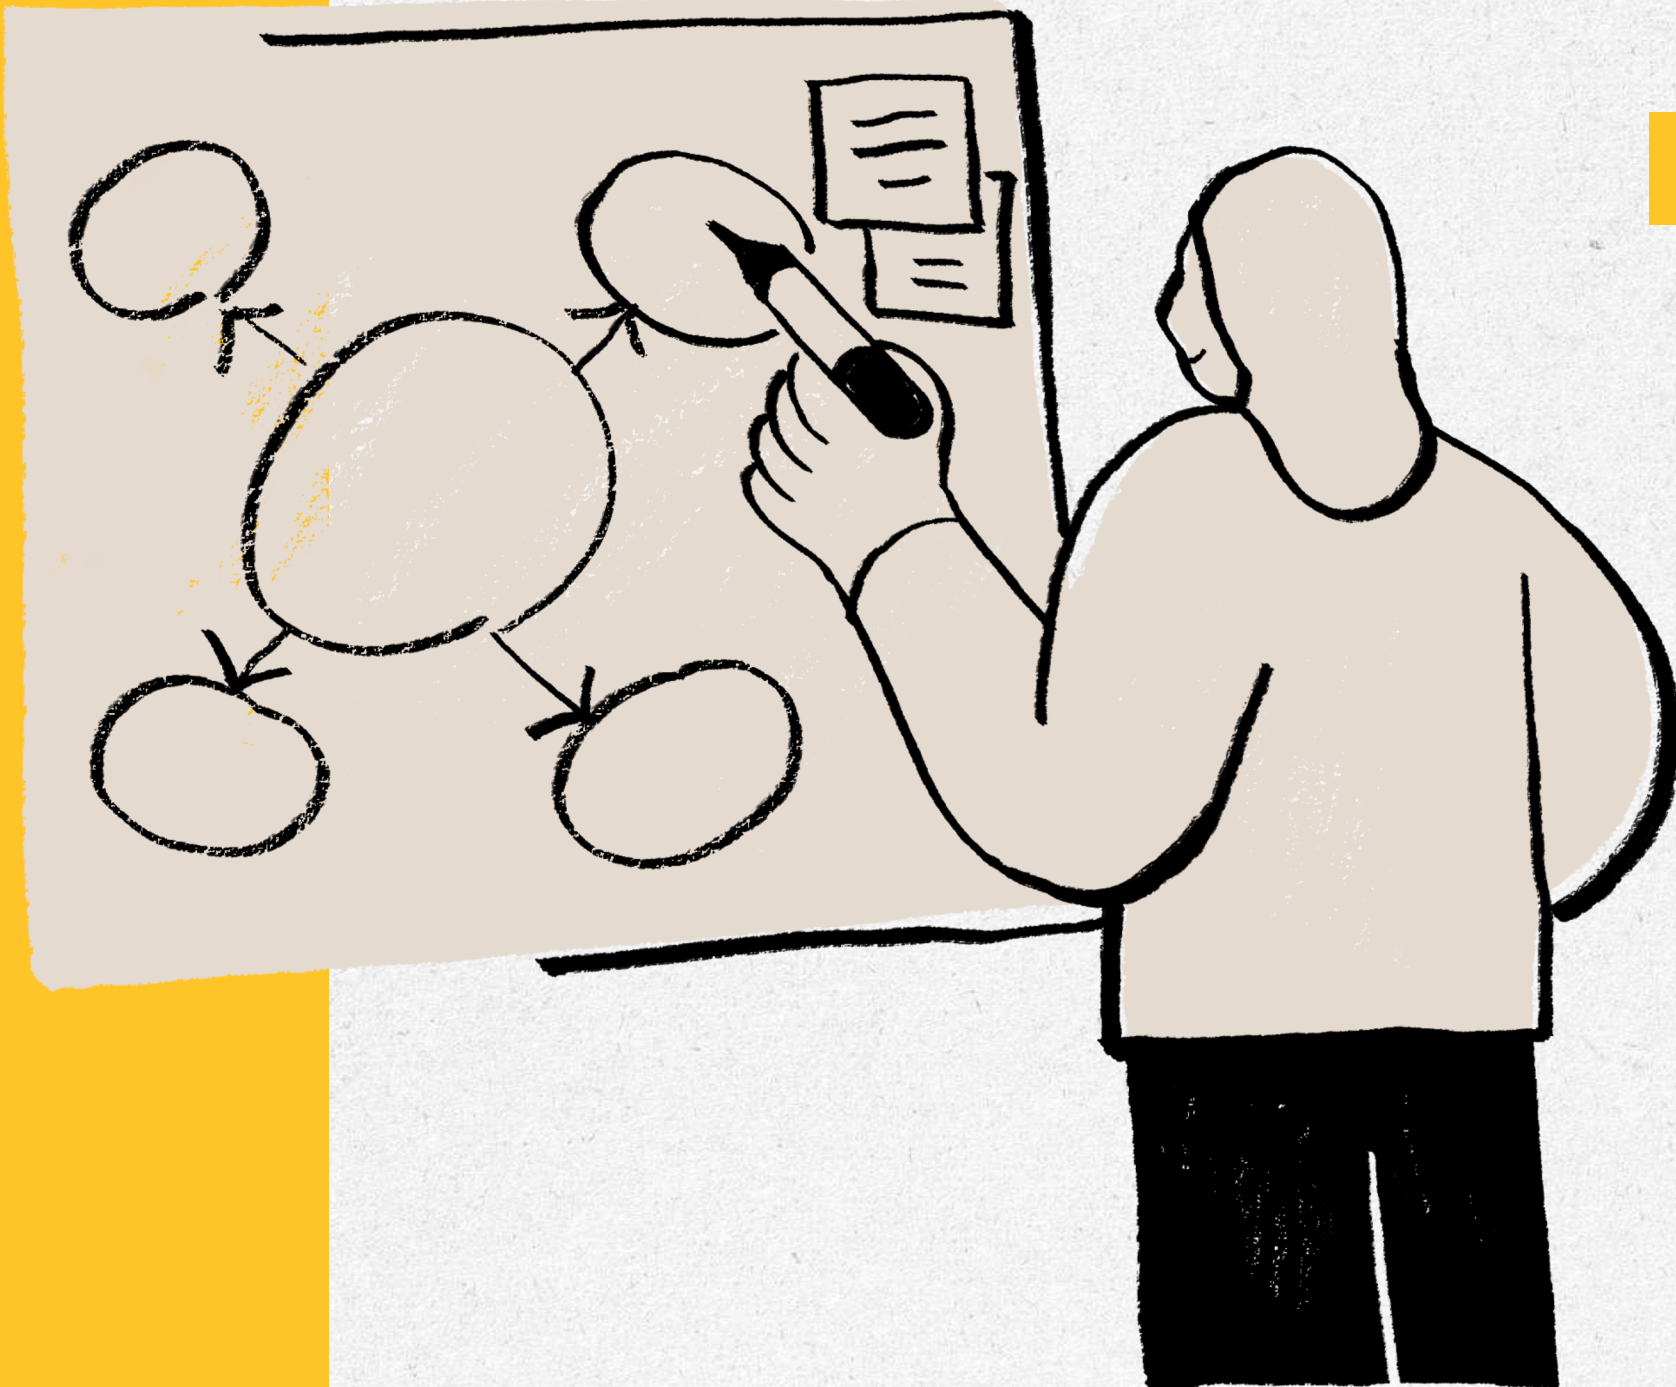

EV Charging Stations

About the Service

Prepare your institution for the electric mobility revolution. We install and manage robust EV Charging Stations, providing a critical amenity for staff, visitors, and the school's own fleet of electric buses.

Core Features:

- Intelligent Management
- Scalable Infrastructure
- Green Branding

Student & Asset Insurance

About the Service

A comprehensive risk management solution that protects the school's most valuable assets: its people and its property. We provide cost-effective safety nets against accidents and unforeseen damages.

Core Features:

- Customized coverage
- Digital claims process
- Student & infrastructure safety
- Institutional risk management
